

Enloe English II PLT Intervention Plan 2010-2011

Identify through students' prewriting and rough drafts the need for differentiated instruction rather than whole-class intervention.

Students Who Have Not Achieved Proficiency (Struggling Learners - must earn at least a D)

Students Who "Won't" or Don't Attend (Intentional Nonlearner - 3 accumulated absences/interim or 2+ missing major or common assignments/interim)

Additional practice and instructional activities will be given to the student to complete during the Eagle Enrichment period. At the teacher's discretion, students may recapture lost credit.

Contact parent and other members of the learning community to seek help.
