

Pyramid of Intervention plan for Healthful Living

Interventions for health

1. Every student is allowed extended make up work until unit is completely finished or end of quarter.
2. Students are allowed to retest/make corrections their common formative assessments and tests for a maximum grade of 70.
3. Referred to Pyramid of Intervention Team.
4. Textbook is available online through the Healthful Living Blackboard site.
5. Textbooks have been given to all curriculum assistant teachers.
6. Interims being sent and available online through span.

Interventions for physical education

1. Student/teacher conference after not dressing first time
2. Communication to parent after not dressing two times to parent.
3. Clothing is available for students to borrow.
4. Referral to counselor and administrator after excessive non participation for intentional non-learners.
5. Makeup cardio test days can be made up for excused absences only.
6. Allow students to make up one failing grade per quarter in physical education during the 6th – 8th week.

Communicating our plan

We are going to have our plan on blackboard, post in locker rooms and classrooms.
